

§ 115C-540. Determination and adjustment of premium rates; certificate as to insurance carried; no lapse; notice as to premiums required, and payment thereof.

The State Board of Education shall determine the annual premium rate to be charged for insurance of school properties as herein provided, which said rate shall not, however, be in excess of the rates fixed by law for insurance of such properties in effect on May 31, 1948, and such rates shall be adjusted from time to time so as to provide insurance against damage or loss resulting from fires, lightning, windstorm, hail or explosions resulting from defects in equipment in public school buildings and properties for the local school administrative units at the lowest cost possible in keeping with the payment of cost of administration of G.S. 115C-535 to 115C-542, and the creation of adequate reserves to pay losses which may be incurred. The State Board of Education shall furnish to each local school administrative unit annually and, at such times as changes may require, a certificate showing the amount of insurance carried on each item of insurable property. The said insurance shall not lapse but shall remain in force until the local board of education requests that said insurance be canceled or until such property becomes uninsurable in the manner set out in G.S. 115C-542. From time to time the local board of education shall be notified as to the amount of the premiums required to be paid for said insurance and the amounts thereof shall be provided for in the annual budget of such schools. The tax-levying authorities shall provide by taxation or otherwise a sum sufficient to pay the required premiums thereon.

The local board of education shall within 30 days from notice thereof pay to the State Board of Education the premiums on such insurance, and in the event that there are no funds on hand at such time with which to make said payment, the same shall be paid out of the first funds available to such school board. Delayed payments shall bear interest at the rate of six percent (6%) per annum. (1955, c. 1372, art. 16, s. 6; 1981, c. 423, s. 1.)
